BOARD OF TRUSTEES' REPORT

For the year ended 31 March 2014

The Trustees, who act as directors of the Company for the purposes of the Companies Act, and trustees for charity law purposes, submit their annual report and the financial statements of Victoria Park Harriers & Tower Hamlets AC for the year ended 31 March 2014. The Board of Trustees confirms that the annual report and financial statements of the Company comply with current statutory requirements, the requirements of the Company's governing document and the provisions of the Statement of Recommended Practice (SORP) 'Accounting and Reporting by Charities (revised 2005)'.

Structure, governance and management

Victoria Park Harriers & Tower Hamlets AC is a company limited by guarantee which is also registered as a charity and is under the management of a Board of Trustees. Victoria Park Harriers & Tower Hamlets AC was registered as a charity with the UK Charity Commission on 23 April 2002.

The articles of the Charity state there should be a minimum of three trustees. At every annual general meeting one third of the trustees are subject to retirement by rotation or, if their number is not three or a multiple of three, the number nearest to one third retire from office.

No person, other than a trustee retiring by rotation, shall be appointed or reappointed a trustee at any general meeting unless he is recommended by the trustees, or a notice proposed by a member eligible to vote at the meeting, and executed by the proposed person, has been given to the trustees within set time limits before the AGM as prescribed in the articles of the Charity.

The business of the Charity is managed by the trustees who may exercise all powers of the Company.

Objectives and activities

The Charity is established for the benefit of the public within East London with the object of providing facilities for public recreation, or other leisure time occupation, and in particular athletics, in the interests of social welfare, and with the object of improving the conditions of life of those who reside and work in said area.

The Charity's activities are in line with its stated objectives.

Achievements and performance

The Charity continues to work hard to achieve its objectives through the supply of premises, equipment, coaching and associated services to its members and the community. The trustees and members actively work to ensure the Charity achieve these aims.

Over the course of the 2013/14 financial year the Charity undertook minor refurbishment work on a room previously used as a gym, this has since been successfully rented out to a number of sports activity groups. Additionally the charity has purchased equipment for the main hall allowing new gym sessions to be provided and alternate uses of the building.

BOARD OF TRUSTEES' REPORT

For the year ended 31 March 2014

Financial review

The result for the year is shown after deducting annual depreciation on the revalued property of £28,000 which is matched by designated reserves. Excluding annual property depreciation the Charity achieved a surplus in the current year of £61,694 (2013 : £71,892), which is primarily a result of grant income received during the year that has still to be spent. The Charity undertook no major refurbishment or other projects in the current year, thus income and expenditure reverted to the general activities of the Charity.

Reserves policy

The trustees consider that an appropriate minimum level of reserves in respect of unrestricted funds is an amount to generate sufficient working capital to cover approximately six months of the charity's annual costs excluding expenditure chargeable against the restricted income and funds and designated reserves. Based on the Charity's level of activity it is considered that a minimum appropriate level of unrestricted funds would be £25,000. At the end of the current year the surplus exceeds this minimum level but is not excessive. The Charity will look at opportunities to utilise these funds in line with its objectives in the near future.

Charity, those unrestricted reserves not matched by fixed assets or held for a purpose to be expended within a year, as at 2014 were £64,181, an increase of £24,228 on the previous year but still in excess of the target.

The Trustees expect the Charity to incur a deficit in the forthcoming year primarily due to the costs of refurbishing the club house, and are actively looking to seek new sources of income. In particular once the refurbishment is complete the trustees will look to expand the use and income from rental of the hall.

Plans for future periods

The Charity plans to continue with and, if possible, to expand its existing activities.

In the prior year the refurbished facilities have improved accessibility for disabled users, an area of its work which the Charity hopes to expand on.

The Charity is now in a position to provide better facilities for its members, the local community and sports groups. In the next financial year the charity is supporting the refurbishment of a Gym area at Mile End stadium which is used exclusively by club members. Once complete the enhanced facilities will allow expansion of the training facilities provided to track members of the club.

Public benefit statement

The Trustees confirm that they have complied with their duty to have due regard to the guidance on public benefit published by the Charity Commission in exercising their powers and duties. The public benefit of the Charity's activities are outlined under 'Objectives and Activities' above.

BOARD OF TRUSTEES' REPORT
For the year ended 31 March 2014

Preparation of the report

This report has been prepared taking advantage of the small companies exemption of section 415A of the Companies Act 2006.

Accountants

The accountants, MHA MacIntyre Hudson, have indicated their willingness to accept re-appointment at the forthcoming AGM.

This report was approved and authorised for issue by the Board of Trustees on 06 November 2014 and signed on its behalf by:

Independent examiner's report to the Board of Trustees of Victoria Park Harriers & Tower Hamlets AC

I report on the financial statements for the year ended 31 March 2014 set out on pages 6 to 12.

Respective responsibilities of Board of Trustees and independent examiner

As described on page 3 the Board of Trustees, which is the board of directors of Victoria Park Harriers & Tower Hamlets AC for the purposes of company law, and the board of trustees for the purposes of charity law, is responsible for the preparation of the financial statements. The Board of Trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

Having satisfied myself that the Company is not subject to an audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the accounts (under section 144 of the 2011 Act);
- follow the procedures laid down in the General Directions given by the Charity Commissioners (under section 145(5)(b) of the Act, as amended); and
- state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the Company, and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as Board of Trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a "true and fair view" and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

1. which gives me reasonable cause to believe that in any material respect the requirements
 - to keep accounting records in accordance with section 386 of the Companies Act 2006; and
 - to prepare accounts which accord with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charitieshave not been met; or
- 2 to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

For the year ended 31 March 2014 the Company was entitled to exemption from audit under section 477 of the Companies Act 2006 relating to small companies.

Directors' responsibilities:

- (i) The members have not required the Company to obtain an audit of its accounts for the year in question in accordance with section 476;
- (ii) The directors acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and the preparation of accounts.

These financial statements have been prepared in accordance with the provisions applicable to companies subject to the small companies' regime and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008). They were approved, and authorised for issue, by the directors on 06 November 2014 and signed on their behalf by:-

 DAVID ROBINSON, Chairman

 IAN WARREN, Director of Finance

NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31 March 2014

1. ACCOUNTING POLICIES

Basis of preparation of financial statements

The financial statements have been prepared under the historical cost convention and in accordance with the Statement of Recommended Practice (SORP), "Accounting and Reporting by Charities" published in 2005, the Companies Act 2006, applicable accounting standards and the Financial Reporting Standard for Smaller Entities (effective April 2008).

The effects of events relating to the year ended 31 March 2014 which occurred before the date of approval of the financial statements by the Board of Trustees has been included in the financial statements to the extent required to show a true and fair view of the state of affairs at 31 March 2014 and the results for the year ended on that date.

Company status

Victoria Park Harriers & Tower Hamlets AC is a company limited by guarantee. In the event of the Charity being wound up, the liability in respect of the guarantee is limited to £1 per member of the Charity.

Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objects of the Charity and which have not been designated for other purposes.

Designated funds comprise unrestricted funds that have been set aside by the Trustees for particular purposes. The aim and use of each designated fund is set out in the notes to the financial statements.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors which have been raised by the Charity for particular purposes. The cost of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements. Statutory grants which are given as contributions towards the Charity's core services are treated as unrestricted.

Incoming resources

All incoming resources are included in the Statement of Financial Activities when the Charity is legally entitled to the income and the amount can be quantified with reasonable accuracy.

Resources expended

All expenditure is accounted for gross and when incurred.

Tangible fixed assets and depreciation

All assets costing more than £500 are capitalised.

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost of fixed assets, less their estimated residual value, over their expected useful lives on the following bases:

Athletics equipment	-	5 years
Land and buildings	-	50 years
Building refurbishment	-	10 years

Land and buildings are designated for use in sports/leisure activities only, and in the event of the Charity winding up they can only be transferred to another similar charitable organisation; due to these restrictions the buildings have been classified as 'specialist properties' as defined in Financial Reporting Standard no. 15, and are included in the balance sheet at the depreciated replacement cost, as required by the standard.

In the trustees' opinion the depreciated value of the buildings is materially similar to its insured value. Building valuations are updated at least every five years, or when material changes occur. The surplus or deficit on revaluation is transferred to a matching designated fund.

There are no circumstances that, to the trustees' knowledge, suggest any impairment to the value of the building.

Building Improvements

The Charity was awarded various grants in previous years to fund a refurbishment programme on its club house. Three of the grants had a continuing restriction to use on them if the facilities were to be used for other purposes within five years and so the depreciated cost has been carried forward in the restricted fund. The balance of the fund has been transferred to the designated fund as the restriction on this income ceased once the refurbishment work took place.

Tower Hamlets Fitness for Sport Grant

The Tower Hamlets Council Fitness for Sport Grant was received by the Charity to run a project during the course of the year which was partly utilised this year and will be spent in the forthcoming year.

Mile End Stadium Refurbishment

The Charity was awarded in the year a grant from the London Marathon Charitable Trust towards the costs of refurbishing and expanding the indoor training area of the Mile End Stadium. The work did not commence prior to the year end.

Equipment Fund

In accordance with good practice outlined in the Charity SORP, sports equipment that is not considered to be easily realisable should be matched by a designated reserve rather than general reserves. The balance carried forward is equal to the net book value of the assets.

Building Improvements

A similar fund to the above funds has been set aside as to match the net book value of the building improvements (less the restricted grants outstanding on them) with funds being transferred each year to general funds to match the depreciation charge.

Revalued Property Fund

Similarly a fund has been set aside as to match the net book value of the revalued property with funds being transferred each year to general funds to match the depreciation charge.

Gym refurbishment

A sum has been set aside by the Trustees to cover the refurbishment of Mile End Gym in the forthcoming year.
